GOVERNMENT OF MYSORE

FINANCIAL

PROCEEDINGS

dated 28th November 1898

No. 3528-562
FI. 365

Issuing instructions regarding the grant of an advance of one year's pay to public servants and menial servants undertaking to build houses in the new Basavanagudi and Malleswara extensions on the Bangalore City.

M.G.C.P.B.—16-12-98—701

Government Order No. 4640-76—Pg. F. 21-96, dated 5th October 1898, stating that advances under Codal Rules will be given to officials undertaking to build dwelling houses for their personal residence in the new extensions about Kadu Malleswara temple and Doddabasavannandi Bangalore City.

READ

Memo Nos. 713—706, dated 15th October and 2nd November 1898, from the Comptroller, recommending the grant, to certain officials of his office, of one year's advance to enable them to build houses in the extensions.

No. 9928-993—FL. 365. DATED BANGALORE 28TH NOVEMBER 1898.

ORDER THEREON.—Considering the present state of public health in Bangaloro, it is essential that material help should be readily given to public servants who wish to build houses in the new extensions. The Codal Rule provides for the grant of six months' pay to officials in advance to be liquidated in two years. In times of special urgency like the present when workmen cannot be secured without much difficulty, the cost of materials is high, and private loans can hardly be expected, the houses to be of any use must be completed and occupied as quickly as possible. Government, cosider it desirable, that, under these special circumstances, the Codal provision should be temporarily relaxed, and an advance of one year's pay should be given to such public servants, including *menial servants*, as may come forward within the next six months to build suitable houses in the new extensions for their personal residence, the amount being liquidated in four years instead of two years, by 48 equal monthly instalments. Half the advance may be given at once, and the other half after the Deputy Commissioner has satisfied himself that the former has been fully spent upon the building.

2. Subject to the above exceptions, the rules contained in revised Article 136 of the Civil Account Code, Volume I, 5th Edition, will be generally applicable to the grant and recovery of these advances. The spirit of these orders will, for the time being, be enforced by means of the following general rule:—

"Considering the present state of public health in Bangalore and the special circumstances under which allotment of sites and grant of advances have to be made to officials for house building purposes in the new extensions about Doddabasavannagudi and Kadu Malleswara Temple, Government are pleased to direct that, in modification of the instructions contained in Government Order No. 4640-76—Pg. F. 21-96, dated 5th October 1898, house building advances be made under the Codal Rules, subject to the following exceptions:

(1) That advances be given to such of the officials and menial servants as are ready to build houses for themselves in either of the above two extensions.

(2) That the advance shall not exceed one year's pay in each case, to be given in two equal instalments, the first on application and the second after the former has been fully spent upon the building.

(3) That the advances be recovered by deducting monthly one forty-eighth part of the advance from the pay of the official or menial servant concerned".

To

The Secretary to the
Government of Mysore
Rev. & Genl. Depts.

Sir

With reference to your docket No. 9 784 R 7 17-98 of the 24 July last calling for a report regarding the action taken against certain officials who have drawn advances for building houses in the Basavanagudi Esctension of the Bangalore City; but failed to fulfil the conditions of the grant of the advance, I have the honor to forward herewith a statement received from the 1st General Assistant Commissioner of this District showing the progress made by the said officials up to the end of August. The estimated value of the work done by Nos 2 and 3 on the list is more than the amounts advanced to them. A sum of Rs 270/- was advanced to No 6 on the 3rd February last. Some

stones have been collected by this individual, but it is by no means sufficient progress Orders may therefore be passed to recover the advance at once from Nos 1, 4, 5, 6 and 7 on the enclosed list

I have the honor to be
Sir
Your most obedient servant

W. P. Hamilton

Dy. Commissioner,
Bangalore District.

Bangalore District
Dy. Commissioner's Office
Bangalore 25th Sept. 1899

To
The Secretary to the
Government of Mysore
Genl & Revenue Depts

Sir

With reference to your docket N. 937 (10) 2.7.17.98 of the 27th July last calling for report of the action taken against certain Officials who have drawn advances for building houses in the Malleswaram extention of the Bangalore city but failed to fulfil the conditions of the grant of the advance, I have the honor to forward herewith a statement received from the Extra Assistant Commissioner in charge of the Malleswaram extention showing the work done by the 8 Officials referred to in the letter under

reply As regards N° 3 the Assistant Commissioner has separately reported that he has since addressed the Sanitary Engineer to have the stones piled up on the site removed. It is also reported that N° 6 on the statement has in addition to the progress shown therein got some woodwork ready for use stored in the house in which he is residing These two cases therefore seem to deserve some consideration. In the remaining six cases the recovery of the advanced amounts at once may be ordered.

I have the honor to be
Sir
Your most obedient servant

W. Mathewson Gell

Dy. Commissioner,
Bangalore District.

WMG
